Dear Sir or Madame:

As you may be aware, the North Carolina Public Schools System is in desperate need of funding for many of its programs. Typically, the cultural arts programs seem to suffer the most from budget cuts. To enhance our band programs at McMichael High School, the McMichael Band Boosters organization has established several fundraising events.

Our annual Phoenix Festival of Bands, a showcase of competitive high school marching bands from across North Carolina and southern Virginia, is scheduled for Saturday September 24th, 2011. This event, now in its eleventh year, is the largest fundraiser we employ and is truly a community effort.

We hope you or your organization will find it possible to join in our cause to support music education. You can help us with our endeavors by donating your goods or services and by considering various advertising opportunities with us. Monetary tax-deductible donations are greatly appreciated. On the reverse side of this letter are our program ad costs. Please feel free to contribute to the bearer of this letter or remit to:

McMichael Band Boosters
6845 NC Hwy 135
Mayodan, NC 27027

Thank you for your support of Music Education!

Sincerely,

Randy Quarles
Director of Bands, McMichael High School
